

AI Tender & Vendor Evaluation Assistant - Project Draft

Problem Statement

Procurement teams manually review tender documents, vendor quotations, compliance reports and technical specifications. The process is time-consuming and error-prone. The application automates extraction, comparison and recommendation.

Project Vision

Upload tender and vendor PDFs, let AI extract information, compare vendors and generate recommendation reports within minutes.

Core Workflow

Login → Dashboard → Create Tender → Upload Documents → Upload Vendor Quotations → AI Processing → Comparison Dashboard → Recommendation → Export Report
